## MENS PENNANTS

Division 2 and the Seniors both made the grand final played in Catalina Golf Club.

Unfortunately, both teams went down in close matches.

Division 2 went down in a very close contest.

3 matches went to extra holes.

The Seniors went down 4/1 with Shane Crowe being the lone winner.

2 matches could have easily gone the other way to change the winners.

Even though Eden didn't win a pennant the Club had a good year fielding teams in all 3 grades and 2 got into the grand final.

We played against much larger clubs that struggled to field teams each week.

Well done Men.

## VOLUNTEERS

We are in the process of raising what will be the 11th tee. After that, we will put the turf on and wait for it to grow.

The Golf Committee will also have some branches cut from around the course. This is an expensive business so we can't cut them all. We realize that each one of us would like to cut a branch down seems to be in the way where we want to hit the ball but we are limited as to what we can do.

Michael Skitt has almost finished painting the Pro-Shop. This includes replacing the broken cement sheets and making the place look much more up to date.

Davo and Skitty spent the day on the roof replacing all of the old sheets that have been broken for many years.

Andrew from the Pro-Shop has spent time cutting back foliage on the 12th hole. You can see his handy work on the left side of the fairway.

The water grate on the 12th hole has been raised to a safe level thanks to Jim Chenhalls work.

Janice has been striking plants at home and with Davos help the hill on the side of the 7th tee has had more plants added to it will keep the weeds down and be nice and green.

## RULE INFORMATION

## CONFESSIONS

As a couple approaches the altar, the groom tells his wife-to-be,

"Honey, I've got something to confess: I'm a golf nut, and every chance I get, I'll be playing golf!"

"Since we're being honest," replies the bride, "I have to tell you that I'm a hooker."

The groom replies, "That's okay, honey. You just need to learn to keep your head down and your left arm straight
