FRASER MARINE / QUINTREX MONTHLY MEDAL - APRIL 24

Syd Donaldson was the monthly medal winner for the men.

WOMEN'S MONTHLY MEDAL

The ladies' monthly medal was won by Jane Breden with another win the next Saturday with 36 points

FRIDAY SHOOT OUT

April 12 Wendy Farrell had 25 points on the front 9 to win the Friday Shoot Out

Grant Sheppard had 24 points on the back 9 to win that Shoot Out.

Well done!!

Gavin Ross and President John both had 39 points on a Tuesday. April 9th Gavin won on a countback.

Conner Cassie had 41 points on a Tuesday followed up with a win on Saturday with a net 68.

HOLE IN ONE !!!!

Nicole Jarvis had a hole-in-one on the 9th during a Shoot-out

LADIES PENNANTS

The Ladies Pennant team had their first match at Tura Beach.

Unfortunately, they went down 3/2 in a close match.

There will be Pennant matches at Eden for the next 3 Fridays.

RULE OF THE MONTH

16.1 Relief from abnormal course conditions

If your ball is directly behind a water control box in line with the pin you are not allowed to move the ball unless the control box obstructs your stance or swing, you must play the ball as it lies.

GOLF BALL RECYCLING

You will notice a bin with a yellow top near the Pro-Shop with a sign to show this is for recycling golf balls.

These balls will be sent away and some will be cleaned up and reused. Others will be recycled and used for roadways and plastic furniture.

If you have some old balls at home you want to get rid of this is the place.

The Golf Club gets a rebate for these balls so if you have some balls not needed bring them and place them in the bin.

Even though Eden didn't win a pennant the Club had a good year fielding teams in all 3 grades and 2 got into the grand final.

We played against much larger clubs that struggled to field teams each week.

Well done Men.

VOLUNTEERS

The volunteers have been busy getting the new tee box on the 11th. This will make the hole a par 5. With the help of 9 volunteers, the work was completed on Wednesday. The tee looks good. It will be a while before it's ready as the turf needs to settle in and some branches cut so the ball can get through to the fairway.

We also extended the path leading up to the 12 tee with Diamond Grid to make it easier for carts to get around.

We are always in need of helpers to clean up gardens and other projects.

We have always had good attendance for these working bees. It makes it much easier to get around the whole course in a short amount of time.

If you are interested see Harry Weatherman.

We will be holding a working bee later in the month to fill the holes in the fairways.

SOME GOOD ADVICE

If your going to borrow money, borrow from a pessimist.

They don't expect the money back.

NEW CLUBS

Hear the one about the bad-tempered golfer who bought a new set of TaylorMade clubs?

After playing with them for a couple of rounds he returned to his pro shop and told the Pro:

“These were the best clubs I have ever played with. In fact, I can throw these clubs 40 meters further than my old ones!”
