July Newsletter

Welcome to another Information Newsletter as we gallop through our 2024/25 season, and so far, hasn't it been a good one, with all the events and the first visit from Bega Dads Army this year.

Your committee meet on the 17/5/24 to discuss our progress for the rest of the year, and it was voted to have a Dads Army 9 hole Club Championship, to be held on 27th October. 2024.

There will be a format for the event, which we will present soon,

but to be eligible to play Dads Army members must have played 10 games since October 2023 to compete on the day.

The committee also voted to cap the Golden Shot to \$200.00 per event and use any extra funds to start the next round.

These funds come from the fine sessions and players that don't want to pay fines won't be able to receive the golden shot in future.

FUTURE EVENTS

30th June Stroke and putt (front 9)

7th July 3 stick and putter (back 9)

14th July Stableford Mulligans (front9)
