NOVEMBER NEWSLETTER

Welcome Dads Amy golfers to this months newsletter and what a busy couple of months we've had, and the next couple of months will be the same.

As you know our 2024 Championship was a huge success and we are blessed with the weather and thank everyone for their efforts.

The Sponsors and catering made the day and special thanks

must go to Leanne and Greg for the outstanding effort they put in.

With all winners receiving great prizes, a hole in one archived on the day by Mark Coates, we look forward to what the next season will bring.

Your committee has been working hard on coming events and next up will be our Christmas Lunch, which will be held on December 1st this year. It will be a buffet style meal, same as last year, as it proved very popular, and Dads Army will pay for our members attending.

The major prizes, won at our 2024 Championships will be presented to the winners that day.

A list of all the place getters is available on request from our championship, as is the upcoming events.
