MARCH NEWSLETTER

The Dads Army Golf Committee meet on Monday 13th January 25 to set a new golf program for February and March so members can be well informed of upcoming events. Copies of the programs will be circulated.

We also discussed our fees and prize money, and it was decided to increase our prize money for 30 or more players to \$75 for first prize and \$30 for the runner up.

The Golden Shot was also discussed and a new measuring rule was put in place to increase the reward amount. Players will now use the white part of the flag stick only, from the flag to the black section starting from 2nd February.

The date was selected for our AGM, and it will take place on 27th April 25 and will be held right after golf on that Sunday.

Refreshments will be provided and I urge all members to attend because some of your committee will be standing down and we need new members to take their place.

We will be in discussion with the Golf Pro to map out a 12 hole event at the end of March and will keep you informed of our progress.

The Committee will be in touch with our Dads Army Members in Bega and Bermagui to set a date for a interclub event, hopefully at Tathra Golf Club - more news on that as it comes along.
