SEPTEMBER NEWSLETTER

Sunday 21st September saw a massive group of players attend the Eden Golf Clubs Centenary Dad's Army event.

The field of 69 players took the course on what was a beautiful day for golf. The day was filled with some terrific golfing, a beautiful lunch and followed by a tremendous presentation and raffles to complete the day.

From myself and the dad's army committee, I would like to

extend a huge thank you and congratulations to the Golf Centenary Committee for what was a magnificent weekend, you really did make it a special and memorable weekend.

Secondly, to all the amazing businesses for your generosity and donations across the weekend and for the raffle prizes on Sunday thank you ever so much. It really shows how well our small community can come together for these special occasions.

A special mention must go to Clay & Adam from South Coast Meats. You have come onto the scene of Dad's Army in a massive way from donating prizes and to donating raffles constantly for use every week so we can run our raffles. Thank you for everything you have done for us, we are all very appreciative and it was an honour presenting you both with your very own Dads Army Shirts.

Lastly, to the Dad's Army committee, Thank you for everything you all did to ensure this event was memorable. The work this committee does is a massive effort putting it all together and I am greatly thankful for all that you do.

DADS ARMY GOLF RULES

Tee Box Areas:

There has been confusion about the teeing areas. The rules in this regard are:

1. All events are played off the white tees.
2. If the red tees are placed ahead of the white tees, ladies use the red tees on that hole.
3. The only exception is if a yellow tee event has been nominated for the daily Competition.

- Preferred lies through to greens.
- Maximum handicap for all players 18.
