RULE OF THE MONTH

This applies to all GUR areas but especially to the area around the 6th green.

If the ball is in a GUR you may play from the GUR but if you do not want to hit from the GUR you **MUST** use the Drop Zone, if one is provided.

TEE SPONSORS

We are in need of a couple of sponsors for tees.

If you are involved in a business or a group of players or a family that would like to sponsor a tee let Harry know.

The Miller hole is a good example of this.

We can design a sign to suit you needs.

CENTENARY CELEBRATIONS

Centenary celebrations went off without a hitch thanks to Vonnice and her hard-working committee.

It was great to see so many visitors around the Club and big fields in all of the golf events.

The beautiful golf bag was won by a member of the public not interested in golf. It is up for a silent auction. If you are interested see the Pro-Shop before October 5th to place a bid.

I'LL LEAVE YOU WITH THIS

I've been playing so bad lately I have to change the grip on my golf ball retriever more often than on my clubs.
