### FRASER MARINE / QUINTREX MONTHLY MEDAL - NOVEMBER 25

There were some fantastic rounds in November.

The standout score was from Luke Grewar, who shot a net 59 to take out the monthly medal.

It's been a few years since we've seen a net 59!

Luke also farewelled four strokes from his handicap.

## JUNIOR CLINICS

### Great news for the Club this month!

Matt's grant application to Golf Australia was successful, meaning we now have places for 10 girls (ages 9–16) to receive clinics starting in February.

These scholarships include Club membership, giving the girls free access to the course.

We now need to find 10 girls who would like to participate. If you know someone who may be interested, please let Matt know.

Matt is also looking for helpers during the clinics. You don't need to be a great golfer—just someone who can encourage the girls.

If you can assist, please contact Matt.

## CHRISTMAS SPECIAL

Matt is offering a December special on lessons:

Buy one lesson in December, get an extra lesson FREE!

See Matt in the Pro-Shop to secure this great deal.

## RULE OF THE MONTH

A question was asked recently:

Do you have to be standing on your feet to make a stroke?

The answer is NO, but you cannot build a stance—so you can't put a blanket or similar object under you while making a stroke.

---

The Golf Club will have a rules clinic soon to clear up some of the rules all golfers need to know.

More information to follow.

## JOKE OF THE MONTH

A junior golfer was at their first golf lesson when they asked their instructor:

"Is the word spelled P-U-T or P-U-T-T?" "P-U-T-T is correct,"

The instructor replied. "P-U-T means to place a thing where you want it. P-U-T-T means merely a futile attempt to do the same thing."

# EDEN MENS OPEN

We had excellent fields for both days of the Eden Open.

A huge thank-you to our sponsors who help make this event such a success.
