FOURSOMES COMPETITION

Two players play as partners and use only one ball. The players play alternately from the tee and thereafter play alternately during the play of each hole. Scoring is as per stroke play and the total is subject to a deduction of half the aggregate handicap.

MIXED FOURSOMES

As per the above, except ladies play from the even numbered ladies tees.

CANADIAN FOURSOMES

Both players play tee shots at every hole and the best ball is chosen. Shots are played alternately with that ball until holed out. 3/8th aggregate handicap is used.

AMERICAN FOURSOMES

Both players play tee shots at every hole then play a second shot with their partner's ball. One ball is selected and alternate play continues as for foursomes with the owner of the ball playing the third shot. 3/8th aggregate handicap is used.

AMBROSE COMPETITION

A team event of 2,3 or 4 players. Each player plays a tee shot. The best or selected ball is marked. This ball may be played first as it lies or lifted or played in another position of play. Balls are to be placed through the green within one club length no nearer the hole and in the same condition of play i.e. not from rough to fairway. On the green balls are to be played within one putter head's length no nearer the hole of the selected ball. Once the ball is holed out that score is recorded.
