FORESTRY

Thanks to Forestry for all the work they did in September.

28 trees were cut down along the 17th and 6th fairway.

They did a course in falling trees and this benefitted the Eden Golf course by

getting rid of dead and dangerous trees.

The next day a group of 9 volunteers did some cleaning up and Jim Chenhall did 2 big days collecting wood for ESSCI to raffle off to help pay for the New Years Eve fireworks.

A FEW GOLF LAUGHS

A golfer asked his mate,

“Why do you always carry an extra pair of socks?”

His mate replied,

“In case I get a hole in one!” 😊

I'LL LEAVE YOU WITH THIS

I'm not saying my golf game is bad, but if I grew tomatoes, they'd come up sliced
